First name: Linda

Last name: Morgan

Organization:

Title:

Comments: Instead of continuing with open invitation to public use, decommissioning of parking lot and restrooms might solve future legal issues. Any development is an open invitation to issues.

Install a message sign board near pool to educate people. I know people will not read or use poor judgement, but also look into wording regarding responsibility of individuals. If they ignore the warning, they are responsible for all costs incurred for any rescues.

Retired USFS.
