Comments: Regarding the Baileys Trail System closure. I agree a closure should be in place, but a shorter closure period than current.

I am also disappointed in the communication taking place by WNF informing the public of items of interest surrounding Baileys Trails. What trails are in the future plans, where does the public go for assistance, like law enforcement, trail damage? Relying on the Baileys Fakebook page is not enough, and does little to inform.

Let's see less money spent on local political initiatives, and more spent on actual trail construction.
