Comments: We live in Hauser and the noise from of these modified ATVs is unbelieveable. It is especially bad when the county has there organized races by Riley Ranch. I called the sheriff's office in Coquille after the last of these races and she said there was not a noise ordinance in the dunes. We have lived here for forty years and it just keeps getting worse. There are alot of dunes area and these sanctioned races should be out in the dunes where this noise would be muffled by dunes...
