Comments: 3 things I would love to see, Trail Access from Lake Vesuvius. I would love to come to stay there the weekend and ride over to the trails.

Keep Nelsonville area to the 50" and Long Ridge as single track

Trail to Nelsonville and they become ATV friendly for Main Road thru town so that we could visit the business located there. Sonic would be great and Krogers

There is plenty of places around Nelsonville for the wider vehicles to ride, keep this for the families with little riders. a small 4 wheeler or dirt bike doesn't stand a chance against a 1000.
