Comments: Go ahead and merge the sound limits of Oregon and the Feds. That won't make ant difference. You know what you have to do: ENFORCE THEM with significant fines! My family is 2 miles away from the OHVs in the northernmost sector near Siuslaw south jetty on Huckleberry Lane above Woahink Lake. The UNMUFFLED OHVs are so loud frequently that you can't hear someone speaking from across our deck. We moved here for peace and quiet. We have a right to peace and quiet. Please, ENFORCE THE SOUND LIMITS!!!!!
