First name: Leonard
Last name: Cox
Organization: Save The Riders Dunes
Title: President
Comments: Save The Riders Dunes is in support of making the noise rules more uniform and obtainable for OHVs. Clear and concise db limits will lead to better OHV compliance and will allow law enforcement agencies to enforce the laws. Noise issues surrounding the ODNRA could threaten our open riding areas. We at STRD do not want to lose any open areas due to noise levels (or anything else). We will support the Forest Service efforts to standardize rules and hopefully reduce overall noise on the ODNRA.
