First name: Zachary

Last name: May

Organization: SAQF

Title: Chapter President

Comments: Whitney and Daisy,

Southern AZ Quail Forever fully supports your planned action outlined in your request for comment to build new roads to open road access into Meadow Valley. Thank you for your work on this effort. This is an important project which will increase access to public land. Many of our members are older who depend on road access to enjoy our public lands. Please let me know if we can help in any way.

Zack
