Comments: Thank you for doing this, as I live near the Horizon Hills trailhead.
Be sure to include the Kiowa Pond as an area for this.
We have had issues with people camping in RV's, trashing the area, & defecating. What are these people thinking ?
Abandoned vehicles is another problem.
I personally go out and pickup trash & report suspicious activities trying to keep this area clean & safe above Horizon Hills.
You have my support and good luck.
