Title:

Comments: I live near the edge of the Cohuttas and hve enjoyed their beauty and serenity for 30 years. They are a major economical asset to our area as well as a means of biodiversity enrichment and climate stability.

Please consider Foothills Landscape Profect #52509 wisely to avoid old growth destruction. New roads, even temporary, are very rarely justified. Fire fighting projects are justified, but shouldn't be a ruiz for timber sales,
