

Data Submitted (UTC 11): 8/17/2021 12:45:44 AM

First name: Thomas

Last name: Lewis

Organization: Penasco Gravel Incorporated

Title: Vice President

Comments: We are objecting to the use of the Apache Pit near Cloudcroft for the use of Batte Enterprises or any private companies use. We own and operate our gravel business out of our private property near Mayhill and can and do service the same areas as this pit. This pit was renewed and expanded on false documents and pretenses. We have all necessary proof of this through FOIA's that we have received from the USDA FOREST SERVICE. Please contact us for proof.
