Dear Ed Hunter and Staff,

Thank you for my copy of today's public notice.

As a north Georgia citizen and avid forest recreationist, I support your proposed tightening of restrictions on Chattahoochee National Forest camping. Campsites and surrounding areas, especially riparian zones, are showing signs of overuse and excessive littering.

Please take the necessary steps to protect the public's forest resources, restore the quality of camping experience, and prevent those citizens who are overusing (and therefore abusing) the privilege of national forest camping. My national forest is not the place for their permanent residency.

Thank you for considering my comments.

Sincerely,

Jeff Durniak
