Comments: To whom it may concern,

Id like to express my concerns to the upcoming forest plan revision as it pertains to Utah OHV enthusiasts, more specifically, snowmobilers. I understand that the revision is still in the early stages of the process and there is still a lot to be determined. In the future regarding this revision, the Utah Snowmobile Association would greatly appreciate a chance to be a part of this process. Please feel free to reach me via email. Thank you for your time.
