Comments: Alternative 2 (the full plan) is the best option. I am a skier and my wife and my 3 girls aged 12, 9, and 5 would all enjoy skiing at Lutsen. We've hiked parts of the trail that is proposed to be rerouted and the plan makes sense to me. We've visited Lutsen in the summer and fall and would drive to Lutsen instead of Vail or Afton Alps if there was better beginner terrain.
