Comments: It is of utmost importance that we properly protect and steward this piece of remarkable land to the greatest extent we can for ourselves, our children, future generations, the land itself, the water, and the animals.

Thank you for the opportunity to comment on your Draft Revised Forest Plan.

The Manti-La Sal is so important to so many for a variety of reasons, and in light of increasing pressures the forest faces from a hotter, drier Colorado Plateau, the revised Forest Plan must consider climate change; conservation of wildlands, water, native plants, and wildlife; increased Indigenous influence, and better responsiveness to the public.

All of these needs can be met by the Conservation Alternative, and it must be analyzed in its full and complete form in the upcoming Draft Environmental Impact Statement.

Additionally, it's important to me that...
