

Data Submitted (UTC 11): 10/1/2021 7:49:46 PM

First name: Dominic

Last name: Rickert

Organization:

Title:

Comments: Granite Peak has become such a pivotal part of the Community in Wassau which means not moving forward with this project will stymie growth. If there is one thing we need in this town to help pull us out of the dull valley of despair that COVID inflicted upon us it's this expansion. The immediate economic effects outweigh the short list of negatives that are virtually nonexistent. Additionally, the environmental effects are negligible.
