Comments: I am opposed to the upcoming Spring Mountain HMA round up! I am a taxpayer, I am opposed to the wild horses being rounded up, I am opposed to the inhumane helicopter roundups! I am opposed to taking the wild horses of their land and cattle left to graze! I would like a moratorium on all round ups until an investigation can be down by the Oversight Committee! There is no transparency what so ever! As a taxpayer I believe that stakeholders should be involved in the decision making and management of our iconic wild horses!!

Thank you for your time!!
