Comments: I support all the proposed expansion ideas at White Pass.

I have been skiing at White Pass for almost 50 years. It has always been popular and crowded on the weekends and sometimes it is nearly impossible to get a table inside the lodge. All the expansion ideas proposed are greatly needed.

Another issue not on this current list is to expand the current condominium capacity. This is also greatly needed. It is truly sad that Washington State loses millions of dollars in revenue because to have a good ski experience people have to travel to Sun Valley, Whistler Canada, Sweitzer, and other ski areas with ski in, ski out, accommodations.

I hope you will approve the expansion ideas at White Pass they are very much needed.

Thank you,

Dave Baldwin
