First name: Mary

Last name: Ardolino

Organization:

Title:

Comments: Please consider the wildlife in the area that you are planning on restructuring. A lot of homebound people get a lot of enjoyment watching the eagle cam setup observing the pair of eagles there. Instead of starting more fires, you can get the CCC out there to clear debris out of the area, or prisoners. I used to drive up to Big Bear when I was younger & really enjoyed the terrain & rustic area.

Thank you.
