First name: Rosemary

Last name: Pausz

Organization:

Title:

Comments: Jackie and Shadow love where they are and are not ready to move! Please leave this area intact for this bonded pair and find a different area to renovate. Please be mindful if public opinions of the work of the forest service are important and matter to you as an organization. I wonder how you would feel if you came home one day to find your home destroyed? Our national bird is a person too. Thank you for taking my comments seriously. Hi
