First name: Ann

Last name: McCampbell

Organization: Multiple Chemical Sensitivities Task Force of New Mexico

Title: Co-Chair

Comments: I am Co-Chair of the Multiple Chemical Sensitivities (MCS) Task Force of NM. We oppose the excessive burning and thinning proposed by this project. We also oppose the use of herbicides in the SFNF.

Attached are additional comments. Also attached is a report entitled "Human Health Effects of Wildland Smoke" along with literature cited.
