Comments: I demand as a taxpaying citizen and as an animal lover who cares for our magnificent intelligent sentient spiritual wild horse and burro population that you stop the inhumane cruel helicopter roundups manage them with their families on their homeland HMA'S as the WILD AND FREE ROAMING HORSE AND BURROS ACT passed in 1971 that requires the BLM to protect and humanely manage on their HMA'S and shall not be harassed by anyone or any motorized vehicles.. clearly you are breaking the law..OUR WULD HORSES AND BURROS HAVE DONE NOTHING TO DESERVE THIS TREATMRNT OR CRUEL REMOVAL all for the rich ranchers and big ag.so they can take over OUR public lands for welfare grazing of their cows and sheep the ratio 50 cows or sheep to 1 horse.. this is immoral and wrong.. many horses and burros are landing in the cruel slaughter pipeline the shame of this government and country the cost to us taxpayers in the millions and millions of dollars not to mention the heartbreak we are suffering..I can't imagine how deep the corruption is in the atrocity..we are watching you.
