Comments: Hello,

I'd like to comment on the GMUG Forest Plan. Each summer my family I travel to the town of Gunnison where we stage to ride motorcycle and mountain bike single track trails for a couple weeks. It is a beautiful area with great recreational opportunities.

We support Alternative C of this plan revision, with the addition of specific protection to any route that has already been approved as a motorized route by the FS.

We feel like alternative C strikes the best balance from a user standpoint, economic opportunity and forest maintenance.

Thanks for your consideration,

Jim Jaquette
