Comments: I am not supportive of the Lutsen expansion to use more Federal land and nearby water, interfering with the Superior Hiking Trails. Their argument that they have to compete with large ski areas in the Western states is not reasonable. Lutsen cannot be compared to those large ski areas- apples and oranges.

Downhill skiing has become a sport of the wealthy. Regular middle income people cannot afford to ski anymore.

I urge you to deny approval of the expansion plan for Lutsen.

Thank you,

Dr. Mary Lou Donovan
