Comments: With the larger ATV's letting millions more pore into our forests, they are ruining it by overuse & spending so much time outdoors. Please block off about 50-80% of ATV trails/roads, etc to let it heal & keep the big atv's on regular jeep (as that is what they are) roads & out of areas that need to heal. As it is, it is not even worth it to go to the mts. Now as have to be around 50 others, anywhere. Cut down on use of forest.
