First name: Alan C.

Last name: Brown

Organization:

Title:

Comments: I may be repeating my request. I am an avid mountain biker who rides on Grand Mesa frequently during season. I would like to extend that season to include "snow biking". I recognize this activity can not and should not conflict with GMNC ski grooming. I also XC on their Nordic trails. My wish is we can provide groomed trails specifically for snow biking and also include the snow shoeing community.
