Comments: Keep the trails open. We do less harm than the forest fires. Most groups improve the trails. Pick up trash. Keep them cleared so users stay on the trail only. We are in a phase of time where we need to be in this beautiful environment and enjoy it. The city sucks. I know we have some loser people who do bad. But they'll do it regardless. We'll keep cleaning up after them. Let us enjoy this ability be in nature.
