Title:

Comments: I oppose using chainsaws to clear trails in Wilderness.

- 1) Dead and dying trees should be left alone in Wilderness.
- 2) The Forest Service should use crosscut saws, not chainsaws, to clear trails of only the fallen trees that must be removed.
- 3) Wilderness visitors should be allowed to experience nature on its own terms, including any risks that entails.
- 4) The Forest Service needs to exclude all Wilderness areas from this project, including any encroachment from activity on wilderness boundaries.

Thank you.
