Comments: The FS doesn't mention Wilderness anywhere in the project's scoping letter, but the maps are unclear as to whether Wilderness is included. We urge you to take action by the November 15 comment deadline.

Potentially, the Marble Mountains, Trinity Alps, Kaiser, Ansel Adams, John Muir, Golden Trout, Monarch, Jennie Lakes, Domeland, Yolla Bolly Middle Eel, Snow Mountain, Yuki, and Bucks Lake Wildernesses could be affected by logging and other clearing, although the Forest Service fails to reveal any details in its scoping documents.
