Comments: Please leave Wilderness Wild in terms of noise. There are so few places we can experience quiet now.

- I oppose using chainsaws to clear trails in Wilderness.

- Dead and dying trees should be left alone in Wilderness unless they make a trail impassable.

- The Forest Service should use crosscut saws, not chainsaws, to clear trails of only the fallen trees that must be removed.

- The Forest Service needs to exclude all Wilderness areas from this project, including any encroachment from activity on wilderness boundaries.

Thank you for considering my comments!
