Title:

Comments:

**I oppose using chainsaws to clear trails in Wilderness.

**Dead and dying trees should be left alone in Wilderness.

**The Forest Service should use crosscut saws, not chainsaws, to clear trails of only the fallen trees that must be removed.

**Wilderness visitors should be allowed to experience nature on its own terms, including any risks that entails.

**The Forest Service needs to exclude all Wilderness areas from this project, including any encroachment from activity on wilderness boundaries.
