Comments: Please consider the following points that I would like to make:

- Please do not use chainsaws to clear trails in Wilderness areas. Chainsaws shatter the peacefulness of these places.
- Dead and dying trees should be left alone in Wilderness.
- The Forest Service should use crosscut saws, not chainsaws, to clear trails of only the fallen trees that must be removed.
- Wilderness visitors should be allowed to experience nature on its own terms, including any risks that entails.
- I respectfully request that the Forest Service exclude all Wilderness areas from this project, including any encroachment from activity on wilderness boundaries.

Thank you for considering my position.
