Dear Sir or MS,

I oppose using chainsaws to clear trails in Wilderness. Leave the fallen trees there to step over. Dead and dying trees should be left alone in Wilderness.

Wilderness visitors should be allowed to experience nature on its own terms, including any risks that entails. The Forest Service needs to exclude all Wilderness areas from this project, including any encroachment from activity on wilderness boundaries.

Finally, do not allow any cattle grazing and protect the wolves. Do not add any more roads either.

Thank You, Steve Sample
