Comments: I oppose any measures that do not fit within the scope of wilderness areas, including:

- No use of chainsaws in Wilderness Areas.
- Dead and dying trees should be left alone in Wilderness.
- The Forest Service should use crosscut saws, not chainsaws, to clear trails of only the fallen trees that must be removed.
- Wilderness visitors should be allowed to experience nature on its own terms, including any risks that entails.
- The Forest Service needs to exclude all Wilderness areas from this project, including any encroachment from activity on wilderness boundaries.
