Comments: We have been driving and 4 wheeling responsibly on the roads and trails at yellow pine for years. My husband is not capable of hiking now, but we enjoy driving the roads to view the beautiful country. closing the roads and trails would be taking away our life and enjoyment of getting away to a wonderful place. Not only does it take away our life enjoyments, but it also has an effect on the economy of Yellow pine and the people that live there. My daughter has great memories of growing up driving up those roads and trails on weekends, and still loves it. PLEASE DO NOT CLOSE THE ROADS AND TRAILS. This will devastate a lot of families and people in the town of Yellow Pine. You will be basically ruining the peoples lives!!
