First name: Rev. Sher

Last name: Pullen

Organization: Three Fires Grove

Title: Rev.

Comments: I can understand clearing potential 'widowmakers' from over hanging trails, as that is in the best interests of everyone concerned. However, Forests are perfectly capable of maintaining themselves if left alone. Thus, I object strongly to removing whole trees, living or dead, The public deserves to see forest as it IS not a manicured Grove.

Kindly do NOT 'harvest' forests using trail safety as an excuse.
