Comments: In regards to this project, I am asking that the following points be considered:

- * Dead and dying trees should be left alone in Wilderness.
- * The Forest Service should use crosscut saws, not chainsaws, to clear trails of only the fallen trees that must be removed.
- * Wilderness visitors should be allowed to experience nature on its own terms, including any risks that entails.
- * The Forest Service needs to exclude all Wilderness areas from this project, including any encroachment from activity on wilderness boundaries.

Thank you.
