Organization:

Title:

Comments: he Forest Service should use crosscut saws, not chainsaws, to clear trails of only the fallen trees that

must be removed.

 $Wilderness\ visitors\ should\ be\ allowed\ to\ experience\ nature\ on\ its\ own\ terms,\ including\ any\ risks\ that\ entails.$ 

These areas should remain wild and natural.

And, the Forest Service needs to exclude all Wilderness areas from this project, including any encroachment from activity on wilderness boundaries.
