

Data Submitted (UTC 11): 11/13/2021 5:42:25 PM

First name: Robert

Last name: Summers

Organization:

Title:

Comments: Please think carefully about altering the contents of Wilderness areas directly within or adjacent. The removal of trees, altering terrain, or impinging with helicopters, drones or use of mechanized equipment (chainsaws, mechanically powered transportation) should not be allowed. Nor audible or visual disturbance of the small portion of our countries remaining landscape.

Thanks you!
