

Data Submitted (UTC 11): 11/14/2021 4:04:33 PM

First name: robert

Last name: hughes

Organization: Shawnee natural area gaurdians

Title: President

Comments: No tree cutting of any kind in Wilderness areas and when trails are blocked no chain saws.No additional roads in Wilderness areas there are already too many.

Wilderness areas are to be as pristine and untouched as possible so our children and grandchildren can see land in the same condition as the first explorers found them.
