Comments: We work near Yellowpine on Johnson Creek in the summer months. We spend our time off & weekends on our UTV traveling the back roads and hiking the trails surrounding Yellowpine.

We strongly object to the proposed road closures on Quartz Creek, Sugar Creek, Three Mile Rd. Etc...these roads and the destinations they lead to contain many memories for a lot of people in and around this area, some who have lived here all their lives, and want to pass on these experiences to their children and grandchildren. We don't believe the Forest Service has any right to take these experiences away from the people of Idaho.
