Comments: *I oppose using chainsaws to clear trails in Wilderness.

*Dead and dying trees should be left alone in Wilderness.

*The Forest Service should use crosscut saws, not chainsaws, to clear trails of only the fallen trees that must be removed.

*Wilderness visitors should be allowed to experience nature on its own terms, including any risks that entails.

*The Forest Service needs to exclude all Wilderness areas from this project, including any encroachment from activity on wilderness boundaries.
