Last name: Nitz

Organization:

Title:

Comments: The Forest Service must exclude all Wilderness areas from this project, including any encroachment from activity on wilderness boundaries, such as using chainsaws to clear trails in Wilderness. The Forest Service should use crosscut saws, not chainsaws, to clear trails of only the fallen trees that must be removed. Dead and dying trees must be left alone in Wilderness.

Wilderness visitors should be allowed to experience nature on its own terms, including any risks that entails.
