Comments: Hello , I have been riding dirt bikes in the Taylor park, crested butte , Sargent area for 30 years. I have seen numerous single track trail closures over the years. mtn bikes, by far have taken over Most of which are motorized now. Dirt bike clubs do the majority of trail maintenance ohvs pay for Yearly permits not mtn bikes. I know the future is electric, quieter motorcycles & you should take that in consideration. I support plan c & any recommendations by the trail preservation alliance & cohvco
