To whom it may concern:

I am writing to note my concern for the Shoshone National Forest. As America's first national forest, the Shoshone National Forest has 2.4 million acres of diverse terrain and a mission to sustain the health, diversity, and productivity of the forest to meet the needs of present and future generations. This must be preserved for future generations to enjoy as a beautiful forest with much to see and enjoy.

Thank you.

Sincerely,

Kate Gelhard
