Hello,

Speaking as one who regularly camps in the Bighorn National Forest, I hope you will allow me to offer a suggestion for Shoshone NF.

I do not ride ATV's or Motorcycles. Instead of opening all NF roads to ATV use, would it be possible to have a few roads which are closed to ATV use?

Just as ATV users are given roads to travel, can I be given roads where ATV's and motorcycles will not be going by all day, making lots of noise and dust?

Pickups and cars go by almost unnoticed. I'd like a campsite with peace and quiet.

Please consider including such road selection in Shoshone NF.

Thank you.

Sincerely,

Bill Gordon
