Dear Sir,

I am hopeful that we will continue to have great snowmobiling opportunities in the Shoshone National Forest.

I am opposed to allowing vehicles with tracks to use groomed and ungroomed snowmobile trails. They are too large and heavy for our trails. We would have to groom more often, and not be able to keep the trails in good condition. The safety concern may be even greater. They do not belong on the Shoshone National Forest snowmobile trails.

Thank you

Connie Walter
