Hello!

My name is Jake Dickerson and I have lived in Lander for over five years now, and I work at Wild Iris Mountain Sports. I have spent alot of time in the Natl. forest surrounding Lander and I think it is such a wonderful resource that should be open to all. I believe that alternative 4 is by far the best option that would make everyone happy and I strongly support that it be open to all vehicles.

I am strongly opposed to alternative 3. This would severely limit access and put a huge price barrier to all who want to enjoy the area. The needs of present and future generations should be open to all without any barriers to entry.

Thank you very much for your time!

-Jake
