As president of the Eleva-Strum Snotrekkers snowmobile club with 89 members I speak for all when I say please no more closures for riding areas. There are multiple members who ride Togwotee pass and Beartooth area and fully support no more closures and a fair use agreement. As a father on a personal note, my boys are soon old enough to handle of trail riding and I'm looking forward to bringing them to Togwotee to enjoy the places I have in the past. Thanks for your time in reading this email and what we support.
