Comments: Hello -

We are seasonal residents of Lutsen, MN. Mary's family dates back to the 1930's. We bought our home in 1985 and have been taxpaying part-time residents ever since.

We support the expansion of the Lutsen ski area. Our grandchildren skied at Lutsen Mountains almost fifty times last season. We want to see Lutsen continue to prosper, which will be enhanced by the expansion.

Thank you for your attention.
