Comments: To whom it may concern:

I have been fortunate to call the Gunnison Valley home for more than forty years. Throughout this time I've spent countless hours in our mountains enjoying fishing, hunting, hiking, camping, skiing, and biking. Most of my time outdoors has been spent riding mountain bikes and I have been heavily engaged with the local mountain bike community. I have participated in trail building, meetings, trail planning, and have been a mountain bike coach for youth for ten years. I would like to offer my full support for all of CBMBA's comments taken in their entirety.

Thanks for your time and the opportunity to comment.
